

Puerto Rico Project

We Need Your Help! Andreama (Grade 4) and Aniya Majors-Rivera (Grade 9) are two OCS Students taking initiative to help relief efforts

after Hurricane Maria devastated the island. Both students have family ties and want to support the island through this rebuilding phase! All donations will be sent directly to the area of need by Andreama, Aniya and their mother.

Donations can be turned into the main office of each building. There will be a box labeled PR Project. Donations will be accepted beginning 10/16 until 11/3!

Anything will help!
