

Dear Parents, Staff and Friends of Odyssey,

We are working very hard to expedite the Gymnasium and Building 23 expansion by the end of this year, so that

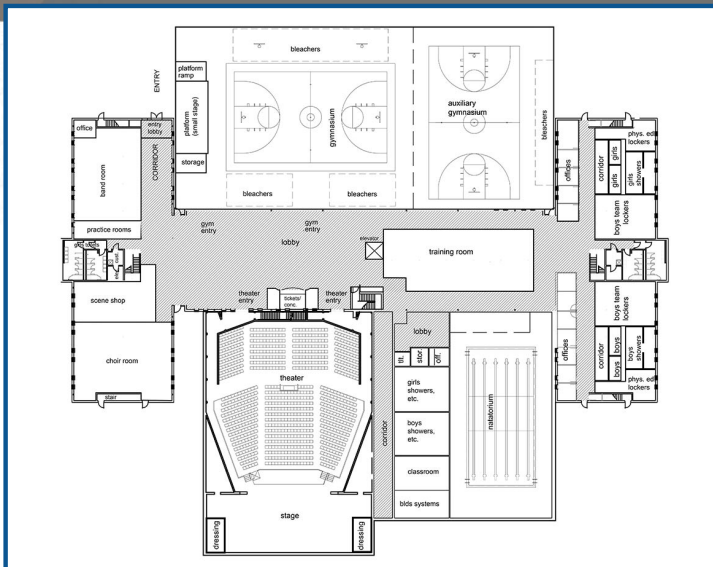

- All our students utilize these facilities for their Athletic activities and Holiday events
- Retain our School's Student Athletes

We need your immediate help:

If we raise \$400,000 between now and June, we will receive another \$400,000 from the Reserve Fund, which would allow us to begin construction of the Gymnasium immediately!

Help us achieve this goal by visiting our website and making a contribution to the school's Major Gifts Initiative!
