

Childcare Program 2018-2019

Welcome to the Before and After Care program at Odyssey Charter School. Here we meet the needs of our families by providing convenient, quality childcare for students in Kindergarten through Tenth grade. Familiar faces, a nurturing environment, a positive attitude, and engaging activities are just a few of the things that make up our successful program.

A typical day at OCS Before and After Care includes many activities, each designed with the intention of appealing to a wide range of interests. Our highly qualified childcare teachers guide students through a multitude of indoor games including traditional Greek games as well as board games and sports. We divide our students according to age and teachers rotate among groups providing a relaxing, yet engaging experience for everyone.

For many of our students who wish to get a head start on their homework before leaving school, we provide a quiet place to study. After a snack, classrooms are monitored by staff members who ensure that students remain quietly seated at their desks working on homework with help if necessary. This time is allotted for Kindergarten through Eleventh grade on Monday through Friday.
