

## **High School Supply List 2019-2020**

*The list below is a general guideline, not all students need all of these items. The 1:1 Chromebook initiative allows students to take notes online instead of paper, but some students still prefer paper. We recommend that all students have at least one binder with separate sections or folders for each class, and all students should bring something to write with and paper (loose-leaf or notebook) daily.*

*High School Students should expect to get specific information from their individual teachers in the first week of school regarding any additional supplies for Career Pathway or Elective Classes.*

### **Personal Items** (Label all items)

- School-Provided Chromebook (charged daily at home)
- Book Bag
