# REMINDERS!

## ZOOM LEARNING

Whenever possible please:

- Find a quiet, distraction-free space for student learning.
- Mute and unmute mics appropriately.
- Keep cameras on during lessons if possible.

## SPECIALS

Please make sure your child is completing their asynchronous work for specials as it is mandatory!

## FEEDING FAMILIES

If you are interested in accessing free food for children under 18 from OCS please continue to contact our Food Services Department by emailing [kim.wolanski@odyssey.k12.de.us](mailto:kim.wolanski@odyssey.k12.de.us)

This year the Greek department is happy to introduce a new interdisciplinary and intercultural project in collaboration with a group of Greek elementary teachers and students in Greece. The project is titled: “Πάμε μια βόλτα στην Ελλάδα» - “Walking in Greece” and aims to provide the opportunity to our FLES and immersion students to experience Greece, its history, geography, and culture through a series of videos where teachers and students are going to present historical sites in Greece. Our aim is to relate the content of those videos to the school curriculum and thus create a bridge between OCS and Greece.
