Paving the Way 2016

The Paving the Way campaign does not sell anything and does not ask for any time from volunteers. It is a fundraiser in which we ask parents and friends of OCS to donate what they can to invest in classroom tools and technology to enrich the education of our children.

We all recognize the tremendous growth occurring at Odyssey Charter School as we patiently wait for our campus to be complete. Our growth has been fueled by a superior teaching staff and a strong community. It is the growth our children show in their test scores. It is the close knit, personal and welcoming community of which we are all a part of. It is the numerous parents, relatives, and friends who volunteer their precious time in our buildings, at school events, and lending a helping hand where ever needed. As parents and caregivers, we will do whatever we can to help realize our dream of a K to 12 school where our children will graduate fluent in a foreign language coupled with a top notch education. Your generous donation will be put directly into your child's classroom with the purchase of technology and other equipment needed by our teaching staff. Please take a moment to make a contribution by credit card (click on button below), or complete the [contribution form](#) and send it back to school with your **tax-deductible** donation. Online contributors will receive an electronic receipt via email. If you opt to send in your form with a check, you may request a receipt.
