

Position Title: Strategic Partnerships Consultant

Department:

Division:

Reports to: OCS Board

Position Summary:

The Development Consultant (“Consultant”) will be a contract position and will work closely with the OCS Board and administration, and is directly responsible for all initiatives to build strategic partnerships at the local, national and global levels in support of Odyssey’s mission and in the creation of a world-class dual language English – Greek K-12 educational program.

Key Position Responsibilities:

- Demonstrate and promote key organizational values.
- With the Head of School and the Campus Operations Officer, and under the guidance of the Board of Directors, execute and advance the OCS strategic plan and promote the creation of a global education campus.
- Lead all initiative to build strategic partnerships, either academic or non-academic, at the local, national and global levels.
- Other specific objectives to be developed on an annual basis.

Position Core Competencies:

The 7 top core competencies for this position are:

- **Adaptability/Flexibility** - Adapts to change, is open to new ideas, takes on new responsibilities, handles pressure, adjusts plans to meet changing needs.
- **Decision Making/Judgment** - Recognizes problems and responds, systematically gathers information, sorts through complex issues, seeks input from others, addresses root cause of issues, makes timely decisions, can make difficult decisions, uses consensus when possible, communicates decisions to others.
- **Global Perspective** - Has a global view and is comfortable and effective working with global partners, understands global markets and international considerations.
- **Organizational Savvy** – Operates within the organization’s formal and informal structures, builds allies and relationships across departments, uses allies to build consensus and create results, is appropriately diplomatic, understands others’ roles and perspectives, can sell projects and ideas across the organization.

- **Project Management** – Establishes project goals, milestones, and procedures, defines roles and responsibilities, acquires project resources, coordinates projects throughout the company, monitors project progress, manages multiple projects.
- **Results Focused** - Targets and achieves results, sets challenging goals, prioritizes tasks, overcomes obstacles, accepts accountability, sets team standards and responsibilities, provides leadership/motivation.
- **Strategic Thinking** - Creates and communicates a long-term vision, balances short- and long-term goals, keeps own and team's work aligned with overall goals, understands the market and can predict change, understands the industry and the competition, creates and adjusts strategic plans. Holds a global perspective in the strategic thinking process used for the success of the school and the global education campus.

Professional Experience Requirements:

- A minimum of 10+ years of experience in project management.
- Senior organizational leadership with responsibility for different departments.
- Experience in initiating strategic (e.g. long term academic and campus partnerships) negotiations.
- Extensive connections within the Greek community, both nationally and internationally, preferred.

Qualification Requirements:

- Bachelor's Degree required. A graduate or professional degree is preferred.
- Ability to work in a diverse and fast-paced environment.
- Experience in multi-cultural, diverse environments.
- Ability to articulate and communicate mission and vision of school and campus to parents, donors and other stakeholders.
- Proficiency of the Greek language strongly preferred, especially for communication with Greek contacts (i.e., Greek Ministry) and partners (i.e., Greek universities), if needed or requested.
- Meets all legal employment requirements.
- Meets most if not all core competencies for the position.
