Asbestos Hazard Emergency Response Act (AHERA)

In October 1986, the U.S. Congress enacted the Asbestos Hazard Emergency Response Act (AHERA). Under this law, comprehensive regulations were developed to address asbestos problems in public and private elementary and secondary schools. These regulations require most schools to inspect for friable and non-friable asbestos, develop asbestos management plans that address asbestos hazards in school buildings and implement response actions in a timely manner.

These regulations assign schools many new responsibilities. Our program for fulfilling these responsibilities is outlined in our asbestos management plan. This plan contains information on our inspections, inspections, response actions and post-response action activities, including periodic surveillance activities that are planned or are in progress. We have contracted with Environmental Testing, Inc of Wilmington, Delaware to handle all testing and periodic inspection and testing. All buildings on campus with student populations have been initially inspected and a recent six month re-inspection has been completed. You can review this plan during normal business hours without cost or restriction. Each building (20, 21, 22 and 23) has their own plan on record in their respective main office.

If you have any questions about reviewing our management plan, please contact Jon Stewart, Campus Facilities Manager at 302-516-8000 x 593.

Dear Odyssey Community,

We are excited to share a new method to make payments for school-related activities. Beginning, February 10, 2020, OCS will begin accepting online payments through the Velocity Portal. Say goodbye to cash handling!

Using the Velocity Portal, families may pay with credit, debit, or a bank account. Payments will be accepted for the following School activities*:

- ✓ Field Trips
- ✓ Dress Down Days
- ✓ Capital Campaign Donations
- ✓ School Activities

*(*Important note: This online payment system **excludes** Athletic Association and PTO activities. Payments for both organizations' activities should continue to be handled exactly as they have in the past, as these organizations' funds are separate from School Activity Funds).*

The Portal link below will be located on the home page of our OCS Website for ease. Or, you may click and save the link below to your 'favorites' toolbar now:

<https://www.velocitypayment.com/client/delaware/odysseycharter/index.html>

Online Payment Guidelines are included, please pay special attention to the requirements so that all payments are applied to the correct account.

We expect this to be a welcome addition, as many families are already utilizing the Velocity Portal for meal, before/after care and summer camp payments. As the enhancement launches, we ask for your patience while working through any bumps in the road.

Any questions or concerns should be directed to the Business Office via business.manager@odyssey.k12.de.us, with the subject line reading: VELOCITY.

Thank you,

The Business Office Team

ONLINE PAYMENT GUIDELINES

IDEA Awards
*Innovation. Dedication. Education. Admiration.***

OCS received three awards at Friday's Delaware Charter School Network IDEA Awards. OCS received the Academic Growth Award, our High School Green Team was recognized with the Innovation Award, and our very own Jon Stewart earned the Impact Too Award. Congrats to the entire OCS team for these wins!

OCS SEVENTH GRADE STUDENTS PARTICIPATED IN JA FINANCE PARK

OCS seventh grade students took part in a fantastic day of financial literacy at Junior Achievement recently. Students were taught the JA Finance Park curriculum in Exploring Business I during first and second marking periods. The students had to “live like an adult” by managing a budget according to a profile they were given. They had to make real life decisions on how much to spend, save, and live within their means. Thank you to the many parents/guardians and community volunteers who helped during the simulation.

OCS students had an opportunity to sign the new wall of schools. These are students who attend JA programs in Delaware!

Congratulations to Mrs. Buckley's 7th Grade ACE Honors

Homework with Heart

Dear Parent or Guardian,

By participating in **Kids Heart Challenge**, your child will raise funds to help kids with special hearts and make all communities healthier. They'll also learn about taking care of their hearts and join in cardio-pumping challenges. Plus, your school can earn money for PE equipment and your child can earn fun thank-you gifts!

Steps to get started:

- 1 Download the **Kids Heart Challenge APP** or visit heart.org/KidsHeartChallenge to register.
- 2 Ask your child to select a personal health challenge:

Move More

Be Kind

Be Ready
- 3 Set a fundraising goal with your child and send emails to invite friends and family to support it.

Explore your Heart Hero Headquarters.

- ♥ Use our Kids Heart Challenge app to bring our Heart Heroes to life using Augmented Reality!
- ♥ Personalize your fundraising page with photos and by sharing why heart health is important to you!
- ♥ Watch your and your school's progress in reaching fundraising goals.
- ♥ Track your progress on your daily challenge.
- ♥ Play games, take Finn's challenge and watch bonus videos on our Heart Heroes.

New Name. New Mission.

ODYSSEY CHARTER SCHOOL

Get ready for Kids Heart Challenge!

Dear Parent/Guardian,

It's time for the Kids Heart Challenge! Did you know that heart disease is the leading cause of death for all Americans, and up to 80% of it may be preventable through lifestyle changes? Kids Heart Challenge is a service-learning program that will teach your child the importance of heart-healthy habits, share inspirational stories of children who have been touched by heart disease and help raise life saving funds for the American Heart Association.

Here's how it works:

- Your child has received his or her fundraising envelope. Start by setting up a personal fundraising page—easy directions are on the back of this letter.
- Ask family and friends if they'd like to donate. Not sure what to say? Your child can use the simple script on the collection envelope.
- Encourage your child to get ready to jump, shoot hoops and have fun at his or her school event!

As part of Kids Heart Challenge, your child will choose a healthy challenge and share lifesaving tips. There is even a parent corner with tips on keeping your children healthy at home! Our school can earn money for PE equipment and your child earns fun prizes that encourage him or her to keep up the good work for heart health. And that's something to jump up and down about!

Important information for our event:

Enter event: **Week of: February 10, 2020 (During PE class!)**
WEAR RED to PE CLASS

Envelopes Due: **Week of: February 10, 2020**

Help your child set up a personal fundraising page. They will earn a fun wristband just for registering online! Plus, they can earn additional Heart Hero badges to attach to their wristband!

Here's what to do:

Visit heart.org/KidsHeartChallenge, or search "Kids Heart Challenge" in your app store and download the free mobile app. Find your school and sign up. Even if you've participated before, you'll need to start by finding your school. (image 1)

Select whether you're a new or returning participant. If you're new, fill out the form to set up your account. If you're returning, enter your user name and password and update your information. (*Hint: make sure your username and password are easy to remember since you'll be able to use them again next year.*)

Now you and your child are ready to have some fun by customizing his or her personal fundraising page.

Track your progress and kick things off with your own personal donation. (image 2)

Send emails and ecards asking for donations. (image 3)

In your app store, you can fundraise, unlock your heart heroes, play games, and more! (image 4)

Which Online Challenge Will You Choose?

Each time your child visits the online headquarters, he or she will see badges earned, have a chance to take a healthy challenge, and unlock special surprises! More visits mean more chances to share messages about heart health and raise funds for the American Heart Association.

Always fundraise the smart and safe way. Do not go door-to-door or ask strangers for donations. Please convert cash donations into checks payable to the American Heart Association and ask your donors if their employers match employees' contributions! matchinggifts.com/aha

MAKING

**A DIFFERENCE
INVESTMENT IMPACT**

THE IMPACT OF YOUR DOLLAR

The American Heart Association funds more research than any U.S. organization except the federal government. In all, we spend nearly 80 cents of every dollar on research, education and community outreach.

This chart depicts the financial activities of the American Heart Association, American Stroke Association, fiscal year ended June 30, 2014.

21.8% RESEARCH

Research dollars support scientific studies seeking new discoveries related to causes, prevention and treatment of heart disease and stroke.

36.4% PUBLIC HEALTH EDUCATION

We help people identify warning signs for heart attack and stroke, provide resources to help people reduce risk for cardiovascular diseases and stroke, and embrace healthy behaviors.

- Websites, social media and digital resources
- Consumer publications and call center
- Health initiatives, programs and support materials
- Public service announcements and campaigns
- Health fairs and a speakers bureau

14.2% PROFESSIONAL EDUCATION & TRAINING

Activities, projects, scientific conferences, training courses and programs are designed to improve knowledge, skills and critical judgment for healthcare providers.

- Websites, social media and digital resources
- Professional education programs and events
- CPR/AED training for professionals
- Development of scientific guidelines and standards
- Systems guidelines for hospitals to improve care for STEMI and stroke patients and treatments

6.7% COMMUNITY SERVICE

Focused on detection of cardiovascular diseases and stroke-related problems; planning and improving community health practices; conducting rehabilitative programs; and supporting special clinical studies.

- Public training CPR/AED
- Advocating for policies to improve health outcomes
- Health screenings and counseling
- Stroke Sharegivers Peer Visitor program

8.6% MANAGEMENT AND GENERAL

Representing general operating expenses for directing the affairs of the American Heart Association.

- Customer relations management
- Finance
- Human resources
- Information technology services

12.3% FUNDRAISING
