Paving The Way

This year we are asking again for your support. Our goal this year is \$60,000. Think of what we can do for our school if each family contributes just 10% more than they did last year. If your family contributed \$50, make your donation \$55 this year and if every family donates \$55, we will definitely exceed our goal. Our school board, administration, faculty and staff have their work cut out for them as we continue growing our new campus and prepare for our first graduating class of Odyssey Charter School. Let us give what help we can by providing resources for a portion of the tools, technology and equipment our students use every day. Help us Pave the Way!

Please take a moment to complete the attached contribution form and send it back to school with your tax-deductible contribution by April 1st.

We all make a difference and every donation counts! Thank you for your contribution!

Shoparoo

How Does Shoparoo Work?

- Shoparoo is a free mobile application that turns pictures of grocery receipts into dollars for your school

1. Shop for groceries anywhere, buy anything

2. Take pictures of the receipts with the app

3. Your school earns money for each receipt image!
