

To Whom It May Concern,

We are pleased to announce Odyssey's participation in Ellinomatheia (exams for Greek Language Proficiency Certification). Our school is selected by the Center for the Greek Language to serve as the testing center for the Certificate of Attainment in Greek examinations for the Delaware Valley region.

The exams will take place at Odyssey Charter School, on **May 23, 24, and 25, 2022**. Ellinomatheia is a worldwide test developed by the Center for the Greek Language. OCS staff will proctor the examinations. We are very proud that Odyssey has been selected as one of the few schools in the US qualified and designated to administer this test. Candidates who successfully pass the exam will receive an official Certificate of Attainment in the Greek Language, which is recognized worldwide.

The Test Levels that lead to certification are:

1. A1: for candidates 8-12 years old
2. A1: for adolescents and adults (for candidates 12 years old and above)
3. A2, B1, B2, C1 and C2: for candidates 8 years old and above

Please note: The Center for the Greek Language mandates that candidates interested in the B2, C1 and C2 exams, must be 16 years or older due to the complexity of the language and content.

Registration for the Ellinomatheia Exam must be submitted to the OCS Testing Center between February 1, 2022 and March 20, 2021.
