

WHY ODYSSEY?

Literacy through Filotimo

- Classics Education: Teach Kids How to Think
- Greek Language: 50% of science, 30% of total English words come from Greek
- Civic Engagement: Because Democracy matters, because Freedom matters
- AI Integration: Customized Learning Experience Matters
- Innovative Design Labs: Creativity fosters progress

Tomorrow's Changemakers

- *Immersion students, comprised of 55% minority, 99% non-native Greek speakers outperform the state on Standardized testing by 140-200% in ELA and Math*
- *Produce and harvest over 2 tons of fresh produce returned to our community through hydroponics and aeroponics program*
- *Our school touches over 2200 scholars daily, making it the second-largest Charter in Delaware*
- *One of only a handful of charter schools graded by S&P means that investors know money invested in Odyssey is money getting to the students*

Permissionless Education For All

- *Enterprise Transportation, Catering, and Real Estate Holdings supplementing effective per pupil revenue by over \$1.5 Million annually*
- *Odyssey students can earn up to 60 college credits (AA) by the time they graduate*
 - *First school in DE (public or private) to offer AP African American History, and one of 60 to pilot the program nationwide*

Voted “Top Public School” in Northern Delaware in 2021, 2022, and 2023!

Investing in Odyssey means you invest in our amazing students!
