

# Wheres The Bus?

Families with students who are eligible for transportation can also download the “Wheres the Bus” app for real-time updates on their bus location. The app can be downloaded on Apple or Android devices and lets families know exactly when their bus will be arriving at their child’s bus stop for BOTH morning pick and the afternoon drop off. Information is updated every 15 seconds, and provides mapping, location data, and timing for when the bus will arrive.

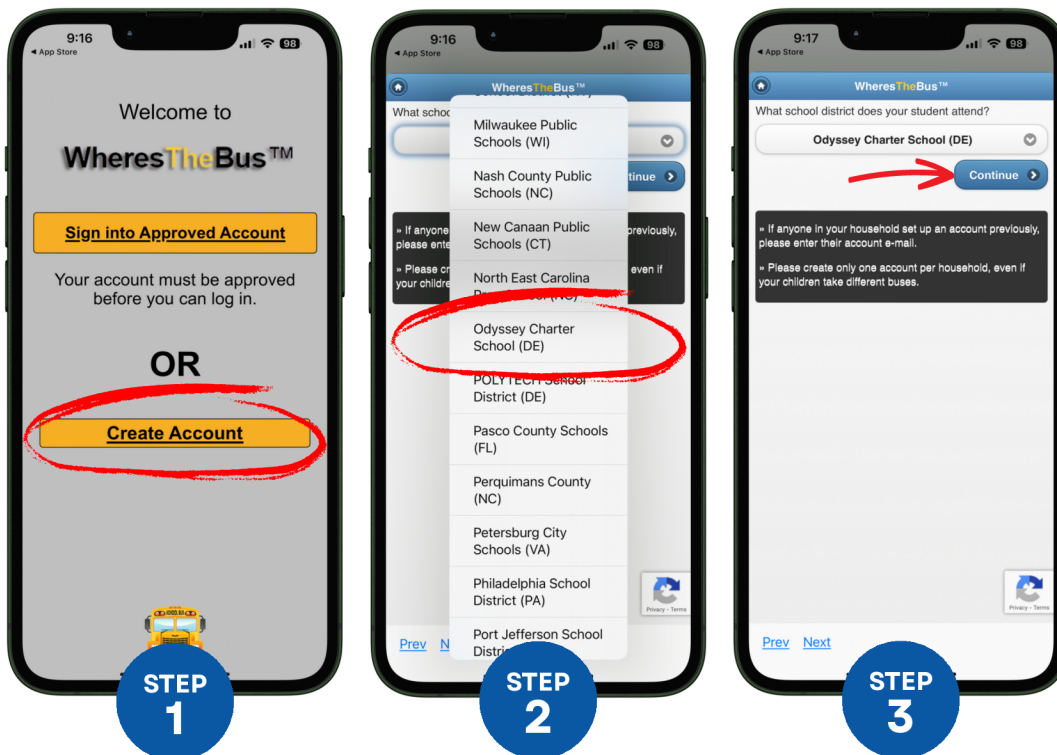

## How to Sign Up

### IOS/APPLE USERS

1. Visit the Apple App Store
2. Search for Wheres The Bus App
3. Select and download Wheres The Bus App

### ANDROID USERS

1. Visit the Google Play App Store
2. Search for Wheres The Bus App
3. Select and download Wheres The Bus App

**After proper user information is entered you are now able to see your child’s bus location.**

Wheres The Bus App location information updates every 15 seconds.

Unfortunately, OCS Transportation does not have rights to the Where’s The Bus software. For all questions or concerns about the app please contact Wheres The Bus by email at [support@wheresthebus.com](mailto:support@wheresthebus.com)
