

Get Ready for 7th Grade Social Studies

Summer Reading for Students Entering 7th Grade

Dear Families,

In preparation for Social Studies this fall, we are requiring students to read an historical fiction selection.

Students will read *The Watsons Go To Birmingham* by Christopher Paul Curtis. Students should be prepared to complete a graded project based on their book when they return to school.

Free online versions of this book can be found on online libraries such as Sora.com (through Classlink). Available in audio as well.

Have a safe and enjoyable summer!

Warmly,

The OCMS Social Studies Department
