

## Get Ready for 8th Grade Social Studies

### *Summer Reading for Students Entering 8<sup>th</sup> Grade*

Dear Families,

In preparation for Social Studies this fall, we are requiring students to read an historical fiction selection.

**The students must choose 1 of the books listed below to read.  
Students should be prepared to complete a graded project based on their book when they return to school.**

1. The Thrifty Guide to the American Revolution: A Handbook for Time Travelers by Jonathon W. Stokes
2. Sophia's War by Avi

Free online versions of many books can be found on online libraries such as Sora.com (through Classlink). "Sophia's War" is available in audio as well.

Have a safe and enjoyable summer!

Warmly,

The OCMS Social Studies Department
